

We Have Been "Living After the Flesh"!

[Dan 12:9 KJV] And he said, Go thy way, Daniel: for the words [are] closed up and sealed till the time of the end. (Written 6th century BC)

The 'end times' that are talked about are not in the future, they are now...

In Romans 8:13 it says,

"For if ye live after the flesh, ye shall die:"

What does that mean? "After the flesh"?

We think "flesh" is matter, solid stuff and always have done, but.. I'll let Einstein explain -

"Concerning matter, we've been all wrong. What we have called matter is energy, whose vibration has been so lowered as to be perceptible to the senses. ... **There is no matter.**"
Albert Einstein

So if flesh is matter and we live thinking there is matter we shall die. Oh!

"..but if ye through the Spirit (Holy) do mortify the deeds of the body, ye shall live." (Rom 8:13)

(There is a Holy Spirit and an unclean spirit, but both are energy. I'll distinguish the two with capitals or lower case.)

If matter is really energy and "we've been all wrong" then "energy" must be the "Spirit" that "mortifies the deeds of the body" mentioned in Romans.

Once we realise that there isn't any matter and it's energy instead then the energy or the Spirit automatically 'cancels out' and indeed does "mortify the deeds of the body". It mortifies it - renders it dead. The Spirit or energy automatically cancels out any idea of solid stuff called matter. The "deeds of the body" are what we've thought are sort of mechanical functions of physical, material bodily organs - like the heart regulating the flow of blood, the eyes determining the vision, etc.

Einstein's quote on energy states -

"...matter is energy whose vibration has been so lowered as to be perceptible to the senses"

Spirit is energy and energy is vibration lowered to a point that we can see, feel, smell, taste and hear.

All the while we've thought that matter is real when it only looks and feels real. It's only visible vibration or vibration that is experienceable by the senses.

So we've been living for thousands of years believing matter is real when it isn't..... and because of this we will die?

Everybody dies, don't they? But if we've thought everything is matter when it actually isn't, then maybe what we think dying is... actually isn't either.

Perhaps everyone doesn't die like we think then?

The New Testament says, "The wages of sin are death" (Rom 6:23), "death is the last enemy", "death is swallowed up in victory" (1Cor 15: 26, 54, Isa 25:8). And "Jesus Christ abolished death and brought immortality to light through the gospel" (2Tim 1:10).

We've now established energy or spirit = vibration = visibility. So spirit is invisible vibration but is also visible vibration.

Let's understand it the other way round.

Body organs and their functioning are visible but are simply invisible energy in motion or spirit in motion. If the function of and the bodily organs aren't what we thought they were but are energy, then they cannot possibly be ageing or deteriorating. This is all very mysterious as the passing of time has always been a dominant factor for us.

But there is a "mystery" in the New Testament that has been hidden for centuries that the apostle Paul did not "want us to be ignorant of" (Rom 11:25). It is mentioned in many places and it might shed some light on the situation.

[Col 4:3 KJV] Withal praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ, for which I am also in bonds:

"...to speak the mystery of Christ". The vocal cords vibrate and when someone 'speaks' the voice causes vibrations. So what Paul wanted was the chance to speak the "mystery of the gospel" (Eph 6:19), the "mystery of Christ" (Col 4:3).

What is Christ? "....the glorious gospel of Christ who is the image of God." (2Cor 4:4) Christ is the image of God.

[Jhn 1:1 KJV] In the beginning was the Word (vibration), and the Word (vibration) was with God, and the Word (vibration) was God.

We have focussed on the body because we thought we were only the body, but now we focus on the Spirit instead. We often say, "Don't judge a book by it's cover." We can see the cover of the book but don't know the story behind it.

So the story behind the **body** cover that we see is really Christ which is God's image.

The image of the "mystery of Christ" its bodily functions, although hidden, is perfect. These vibrations are the correct spoken word. The Truth. They are Spirit and they are Life, the energy of God.

[Jhn 6:63 KJV] It is the spirit that **quickeneth (gives life)**; the flesh profiteth nothing: the **words** that I **speak** unto you, [they] are **spirit**, and [they] are **life**.

We can either "live" or "die" according to Rom 8:13. So what if the spoken word we've been speaking is not the "mystery of Christ" but simply an incomplete understanding about the body? It seemed to be true and has been handed down through the generations, but it isn't true. The vibrations of speaking are different so the visibility must be different.

What follows is what we think we already know but is the "**ye shall die**" bit in Rom 8:13 -

The visible image we see, the bodily functions, the corruptible organs in a changing and temporary body is the **matter** that "we've been all wrong" about.

These vibrations are the spoken words that have come from handed down understanding. They are the "mystery of iniquity" and NOT the Truth. They are in fact lies, but still are spirit or energy just operating in a different way.

[Jer 9:5 KJV] And they will deceive every one his neighbour, and will not speak the truth: they have taught their tongue to speak lies, [and] weary themselves to commit iniquity.

[2Th 2:7 KJV] For the mystery of iniquity doth already work: only he who now letteth [will let], until he be taken out of the way.

The "mystery of iniquity" that "doth already work" (2Th 2:7) is the energy, the lack of understanding about matter that has been handed down throughout many generations. These spoken words are vibrations. The vibrations are energy and therefore are images that are seen and the experiences that are had.

[Zec 8:16 KJV] These [are] the things that ye shall do; Speak ye every man the truth to his neighbour; execute the judgment of truth and peace in your gates:

The Truth is that NOW (this very moment, past and future) EVERY BODILY FUNCTION AND ORGAN can never change. The Christ body, which is the "image of God", which is YOU and me is ETERNAL.

It is just that we don't KNOW it. We have never known it because we have been deceived, brainwashed into believing that there is corruptible "flesh", solid stuff, matter... There isn't!

We have wrongly judged the book by its cover and reaped the consequences.

"For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live." Rom 8:13

The 'end times' are the 'end' of believing in matter!

"....until Christ be formed in you." Gal 4:19.

Christ the "image of God" is eventually "formed" in all of us and we are "born again". The information of the Spirit/energy, the vibration of the spoken Word is handed down throughout generations making null and void death by disease, decay and corruptibility. The beautiful lifecycle of all resumes in absolute perfection forever - now "the sons of God are revealed" (Rom 8:19).

[1Pe 1:23 KJV] Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever.

[Mat 4:4 KJV] But he (Jesus) answered and said, It is written, Man shall not live by bread alone, but by every **word** that proceedeth out of the mouth of God.

God's mouth is our mouth.

"Vibration underpins all matter in the universe. No matter can exist without vibration." - John Stuart Reid (scientist, acoustics pioneer using cymatics)
