

By a New and Living, Moment By Moment Way

Our mistaken understanding of our origin equates to our **mistaken identity and body**. Through long years of evolution, which is just a theory, the Truth of our origin starts to surface from the depths of ignorance and illusion.

Our identity has been a solid, decaying body, born into a certain family, a certain culture in a certain place, only to decay and die at a certain time. Our True identity is the All in All God, Spirit, the True Intelligence, the complete Information from which the body **appears**. The body is **energy**, an image formed from information. Darkness has clouded our understanding but the dark clouds eventually disappear to reveal a beautiful, blue sky.

[Heb 10:20 KJV] By a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh;

This "new and living way" that everyone is destined to **live by** is a secret that has always been there but is only very slowly being revealed to us. For centuries a false-belief body of man has been masking the True-Body of Man. To the senses a false-belief flesh body has always appeared, but our **deceived perception** has veiled the True-Body.

The **True-Body** is an **incorruptible**, eternal body, not affected by **time** or **external circumstances**, manifested and operated **continually** by **energy** carrying **True information (Holy Spirit)**.

The "new and living way" to live, **after this revelation**, is on a **moment by moment** basis.

When **false beliefs** in time as the cause of decaying bodily tissue and functions are replaced by the knowledge of **time being a mere life-tool**, the perception is changed and the True-Body appears through the "veil" of false beliefs that concealed it.

The human race has **false beliefs** of the body growing past maturity into decay, being **corruptible**. This false belief permeates throughout the whole world, but the whole world is deceived, inadvertently changing the **moment by moment basis way of living** to a decaying and **time dependant** way of living.

[Rom 1:23 KJV] And changed the glory of the **incorruptible** God into an **image** made like to **corruptible (decaying) man**, and to birds, and fourfooted beasts, and creeping things.

The body is an **image containing** all the organs, functions and senses of touch, taste, sight, smell and hearing and **appears** by his or her **mind**, depending on a **darkened mind** (without knowledge and understanding) **or** an **enlightened mind** (with knowledge and understanding). It will be reflected either way in the the appearing of the **image-body**. Either it is **corruptible** by a mind **without** knowledge or as **incorruptible with** knowledge.

[Psa 30:5 KJV] For his anger [endureth but] a moment; in his favour [is] life: weeping may endure for a night (**darkness**), but joy [cometh] in the morning (**light**).

You can have an **image** of a room in **darkness** or an **image** of the same room with the **light** switched on. The two appear to look different but are the **same** room. It's only the darkness that veils the true appearance of the room.

Jesus dying on the cross and then coming back to life again was like the light being switched on in the darkened room. The darkness is the old, false idea of the human flesh body suddenly revealed in **Light (understanding)** to be the True-Body (divine flesh) which is **incorruptible**.

[2Jo 1:7 KJV] For many deceivers are entered into the world, who **confess not** that **Jesus Christ is come in the flesh (the True-Body)**. This is a deceiver and an **antichrist**.

Jesus Christ is the True-Body. Enlightened perception (Christ) makes the True-Image-Body (Jesus) **appear**. The "veil" mentioned in Hebrews is his "flesh" or the knowledge of the True-Body - the "new man". We have been **conditioned**, programmed even, to live by a decaying, **time dependant** way. But our perceptions are changed and our minds enlightened and "renewed" as we "put on" the "new man" as the Apostle Paul tells us to do in Ephesians -

[Eph 4:24 KJV] And that ye put on the **new man**, which after God is created in righteousness and true holiness.

On a Moment By Moment Basis

If the body is an **image** that **appears**, how does the image appear?

As $E=mc^2$ is a fundamental principle in physics, **energy is interchangeable**. It is both **invisible** and **visible at the same time**. Our perceptions are energy that carry information. Although perceptions, which are energy, are invisible they are visible at the same time too.

Energy is the carrier of information either True or false information - complete or incomplete knowledge. True information, being Light, brings understanding to the mind that is full of darkness or false information. When the **Light shines darkness disappears**. True or right (righteous) information, is **slowly** being revealed as science progresses which is why the false body **image** still **appears** at this present time.

[Jhn 1:5 KJV] And the light (*true information*) shineth in darkness (*false information*); and the darkness comprehended (*understands*) it not.

Jesus with an enlightened mind said this -

[Mat 6:22 KJV] The **light** of the body is the eye (**perception**): if therefore thine eye (**perception**) be single (**the True-Body only**) thy whole body shall be full of **light**.

[1Co 15:44 KJV] It is sown a natural body (*false-belief body*); it is **raised (in awareness)** a spiritual body (*the True-Body*). There is a natural (*false-belief*) body, and there is a spiritual body (*True-Body*).

From a misunderstanding false teaching in churches and amongst its people has crept in about 'energy', specifically 'energy healing'. It is termed 'new age' and that Christians should keep well away from it. What we've not realised is it is actually the gate to freedom and is the very thing the Apostle Paul is teaching about in the New Testament - the True-Body, "**the gospel of Jesus Christ (the True-Body)**" (2Th1:8).

Jesus demonstrated the effect of energy on many, many people. It is seen as 'healing' because the **True-Body appears**, is manifested to the eyes by **Light** (understanding) and the false, diseased body part, which is darkness (misunderstanding) just disappears.

The 'healing' of the body appears as an effect when the energy carries true information (Light) and dispels the false information (dark) that has been believed. Returning to the room analogy, when a light is turned on in a dark room suddenly the darkness disappears and the room is illuminated and revealed to the eyes.

'Healing' is just the darkness being swallowed up by Light. False or incomplete information is replaced by the complete True information. The True-Body is always perfect, never needing any healing. The dark room didn't need 'healing' it just needed to be revealed by turning on the light.

So how do we proceed in "the new and living way", on a **moment by moment basis**? Each thought is a perception. Each thought is energy carrying information. Each thought is either dark or light, carrying false information or True.

Now Paul says to "take every thought captive to the obedience of Christ". What does that mean?

[2Co 10:5 KJV] Casting down imaginations, and every high thing that exalteth itself against the **knowledge of God**, and bringing into captivity every **thought** to the **obedience of Christ**;

Let's break it down. Christ is the light, the true information, the enlightened understanding that **is** the True-Body. The True-Body does not decay, neither is it time dependant. It just is and is perfect.

Although we are individuals **together we are the Living God** and "have the mind of Christ". In other words the Living God lives as us, but with a perfect body that comes from a perfect understanding.

If we have the thought that we have a headache accompanied by pain, the actual thought of the headache **is** the pain of the headache. Being energy it is both an invisible thought and an experience of the senses at the same time. But if we by "bringing the thought into captivity to the obedience of Christ" say to ourselves, "Hang on a minute, this is not true because the True-Body, which is the Light and understanding of Christ, is outside of time and always perfect", the headache that we **thought** we had will disappear. The headache didn't need healing, but like the room in darkness it just needed the Light to shine on the **false belief** of the thought.

This is **faith** and "without faith it is impossible to please God".

[Heb 11:6 KJV] But **without faith [it is] impossible to please [him]**: for he that cometh to God must **believe that he is**, and [that] he is a **rewarder** of them that **diligently seek him**.

If life is not lived on a **moment by moment basis** then the **default** way is decay and death. This is the **law of God** and the breaking of this law is sin.

[Rom 7:22 KJV] For I delight in the **law of God** after the inward man (**True-Body/Man**):

[Rom 8:2 KJV] For the law of the Spirit of **life in Christ Jesus** hath made me free from the law of sin and death.
