

# Consciousness

The following scripture from Revelation in the New Testament forms part of the wonderful 'Hallelujah Chorus' in Handel's 'Messiah', written in 1741. There is, although hidden in plain sight, a very deep meaning to it that is yet to be discovered (like electricity was a gradual scientific understanding) and revealed to all. It's a **revelation** as the **last** book in the Bible suggests...

[Rev 11:15 KJV] And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms (*the many consciousnesses*) of this world are become [the kingdoms] (*the One Consciousness*) of our Lord, and of his Christ; and he shall reign for ever and ever.

We remind ourselves first that God is **Omniscient - is all knowing**, crossing, encompassing and surpassing all chemistry, all biology, all physics, all neuroscience, all biochemistry, all astronomy, all geology, all earth science, all ecology, all quantum physics, all mathematics and **ALL, tying everything together into One**.

Before we go into consciousness we must realise that we each have a soul that is on a journey to **knowing** our True identity, a **son of the Living Father, God**. This journey our souls make whilst suffering many trials, looking for love, for companionship, for money, food, comfort, fulfilment, health and joy over many lifetimes, without realising that the **knowledge** of our **True identity** is the destination for everyone. It's a psychological journey of **understanding** (psyche being the Greek transliteration of soul). We slowly grow from a childish understanding into the maturity of Love.

[Gen 2:7 KJV] And the LORD God formed man [of] the dust of the ground (a believed dream), and breathed into his nostrils the breath of life; and man became a **living soul**.

[Job 12:10 KJV] In whose hand [is] the **soul** of every living thing, and the breath of all mankind.

On my journey and probably yours too we have arrived at a place where there's no turning back and we just **have to** understand a higher way of living and live it; the way of the "**last** Adam, the quickening spirit".

[Psa 84:2 KJV] My **soul** longeth, yea, even fainteth for the courts of the LORD: my heart and my flesh crieth out for the **living God**.

[1Co 15:45 KJV] And so it is written, The **first** man Adam was made a **living soul**; the **last** Adam [was made] a **quickeningspirit**.

[Job 33:29-30 KJV] Lo, all these [things] worketh God oftentimes with man, To bring back his **soul** from the pit, to be **enlightened** with the **light** of the **living**.

To help with the explanation of consciousness I have used either a capitalised 'C' or a lowercase 'c'. A capitalised 'C' for **C**onsciousness, the One, God, Intelligence, Light and lowercase 'c' for consciousness of the many souls, ignorance, the dark.

There is only One Consciousness but it seems to be separated into two; one of mankind and one of God. But these are like light and dark, when the light shines out where is the dark? When dawn floods the sky where is the night? It disappears. It cannot be found.

Dark is the consciousness of corruption that is all mankind has ever known throughout the generations. He believes his body/life ages, decays and is **corruptible**. But, Light is the One and only Consciousness. Light owns and **IS** each individual body. Light is the Life of mankind. Light is the Living God, the Living Father. Light knows no age nor decay. Light is **incorruptible**. So when Light shines upon the dark, corruptible consciousness of time-worn mankind the darkness

disappears and his consciousness **dissolves into the One Consciousness**, the One Intelligence, the One Light.

[Luk 11:34 KJV] The **light** of the body is the eye (**perception**): therefore when thine eye (**perception**) is single (*One, incorruptible*), thy whole body also is full of **light**; but when [thine eye] (**perception**) is evil (*the many, corruptible*), thy body also [is] full of darkness (**corruption**).

Consciousness is the One Light, One Energy, One Perfection, One Intelligence, the **complete information**, all combined. **But** both incomplete **or** complete information are carried by energy and energy is **equal to form**.

A bird, say a robin, although with a different brain structure to mankind, is conscious, therefore has and is Consciousness, **complete information**. This **complete information** is carried by energy and **is** the form, activity and workings of a robin. He has characteristic colours and shape, specialised hearing and superior eyesight, he even has magnetic field vision; from a baby robin to his maturity, his flying, hopping, feeding, nesting, mating habits to singing his beautiful song - he is **perfect in manifestation**.

The robin's "kingdom" of God or Consciousness is not a place in the "sky". It is "inside" and it is "outside" of him - it **is** him. He is "known" by and **is being** the "Living Father".

(3) Jesus said, "If those who lead you say to you, 'See, the kingdom (*Consciousness*) is in the sky,' then the birds of the sky will precede you. If they say to you, 'It is in the sea,' then the fish will precede you. Rather, the kingdom (*Consciousness*) is inside of you, and it is outside of you. When you **come to know yourselves**, then you will become known, and you will realize that it is you who are the **sons of the living Father**. But if you will not know yourselves, you dwell in poverty and it is you who are that poverty." - The Gospel of Thomas

Man/woman is conscious, but obviously has a much bigger and more complex brain structure than the bird. He is Consciousness but, initially, he is conscious only of **incomplete** information. This information is carried by energy and is equal to the **form, activity and workings of him/her from a baby to the maturity** of mankind. The only difference being between mankind and the bird is that mankind, having a very complex brain, himself **receives, owns and uses only the information** he has **accepted**. The **information he accepts** become neural pathways in his brain.

Mankind's "kingdom" of God or Consciousness is "inside him" and "outside him" because Consciousness **is** him. Although he hasn't known this he/she **is perfect in manifestation and is being** the **Living Father**.

Say a woman wants to become a midwife as is the same with any profession. She can only say she is conscious of being a qualified, professional midwife when she has absorbed all the **new** relevant, **previously unknown**, information needed, along with the exams she takes to make sure of that information or knowledge. She has now made **new** neural pathways in her brain. It is the same for mankind, us. We can only say we are conscious of being "sons of the living Father", sons of God when we have absorbed all the **new** relevant, **previously unknown**, information that is needed for that state of being and have made **new** neural pathways in our brains.

Up until this **True** information is widely available and accepted, only **false** information has been broadcast, received, **accepted** and held in mankind's brain; that of the human race as being subject to time and therefore being **CORRUPTIBLE only**. If he has only a consciousness of being corruptible he **IS** corruptible. Why? Because mankind is **Consciousness first and not the form or body**. The consciousness **manifests** or forms the body because **consciousness IS the body**.

This is why the Apostle Paul says -

[1Co 15:53 KJV] **For this corruptible must put on incorruption, and this mortal [must] put on immortality.**

Just like the robin is Consciousness first and the form (the image of him) is a manifestation of that Consciousness, so is mankind. Remember consciousness is energy carrying information, but energy is equal to form or matter, or as Einstein put it,  $E=mc^2$ .

So with a consciousness of **incomplete** information we have been manifesting (creating) our bodies and affairs ignorantly, just judging by appearances and following the crowd. But with a Consciousness of **complete** information the body is as it says in Genesis 1:31 "very good" and Jesus says in Mat 3:2, "Repent (*think differently*) for the kingdom (*Consciousness*) of heaven (*harmony*) is at hand (*here*)".

When we realise that our consciousness comes **first and** actually generates the body, then the **body is transformed** because our previous consciousness dissolves into THE Consciousness which forms or manifests the True, perfect body. God or Consciousness creates or makes **all** out of Himself.

[1Co 15:49 KJV] And as we have borne the image (*the body manifested*) of the earthy (**corruptible**), we shall also bear the image (*the body manifested*) of the heavenly (**incorruptible**).

[Phl 2:5-6 KJV] Let this mind (*a **complete information Consciousness***) be in you, which was also in **Christ Jesus** (*the Christ Consciousness manifesting the Jesus body*): Who, being in the **form** (body) of **God**, thought it not robbery to be **equal** with God:

We now **know** that **information** carried by energy into form is Consciousness. But that information is initially incomplete until a **previously unknown** knowledge completes it. Then a consciousness of not-knowing dissolves into the One, All Knowing Consciousness.

Previously our body has dictated our consciousness, for example, we've thought and said, "I can't walk very far because my legs ache and I get out of breath". But if we know differently that our Consciousness **dictates** our body we think and say instead, "I can walk a long way now as my legs don't ache and as I've got loads of energy!"

[Isa 40:31 KJV] But they that wait upon the LORD shall renew [their] strength; they shall mount up with wings as eagles; they shall run, and not be weary; [and] they shall walk, and not faint.

There is a reversal of thinking, therefore a reversal of being and doing. Jesus states this reversal in Mathew 20:16 "So the last shall be first...". Knowingly the Consciousness (the kingdom of God) comes **first**, and the perfect body **last**. Or not yet realising the revelation the body still comes first and the consciousness last, but only **information** determines which.

The "the **last** shall be **first**" is also repeated in the books of the Bible - Revelation is the **last** book and Genesis is the **first**. The last book tells of the revelation of us **as** Jesus Christ, the only Son (the unseen), and the first book Genesis tells about the creation (the seen).

In the reversal the name Jesus Christ becomes Christ Jesus. The Consciousness first and the "perfect" body "last". We are to live by His Consciousness manifesting the True, "perfect" body.

[Mat 5:48 KJV] Be ye therefore perfect, even as your Father (*Consciousness*) which is in heaven is perfect.

As it says in 1 John 3:2 "...**now are we the sons of God**..." and **we always have been**, we just didn't know it. And the soul? As the sat nav at the end of a car journey says, "You have reached your destination!". You have finished your psychological journey to your True Identity.

There is another glorious verse confirming our True identity in Revelation -

[Rev 21:4 KJV] And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

A 'Hallelujah Chorus' for the "world" to sing indeed!
