

Consciousness is The Living God

We know we are conscious but are we ignorant of the fact that the Living God is living us?

Consciousness is the brain and the brain makes the body.

Body health and age is determined by chemicals in the blood that are released into each bodily cell, about thirty trillion of them. The chemicals released are determined by perceptions we hold in the brain and affect each one of the five senses. When you think about it the senses are the body. If there are no senses then the body is a vegetable.

We are not here by chance. We all come from the same One batch; that of love, perfection, beauty and harmony in our bodies and all our affairs. This is "righteousness" and the Living God - Consciousness. It's what He is and what He does. If we allow Him to He lives as us.

But our perception has clouded our minds making us separate people and we've set ourselves up against Him, thinking we know better. Where do our perceptions come from? They come from the "world", the age in which we have lived. It's an age that has been ignorant of the true facts, making us "babes" in understanding; an age where it is thought that consciousness is generated by the brain instead of Consciousness being the thirty trillion bodily cells, including the brain.

Our perception comes from neural networks we, unknowingly, have forged in the brain. We have trained our brains to think fear thoughts and therefore we live in an environment of fear!

[Heb 5:13-14 KJV] For every one that useth milk [is] unskilful in the word of **righteousness**: for he is a **babe** (*ignorant*). But strong meat belongeth to them that are of full age (*have full knowledge*), [even] those who by reason of use have their senses exercised to discern both good and evil.

We must re-train our brains, "renew" them and our perceptions will reflect Love instead of fear.

"Do not be conformed to the patterns of this world (*ignorant age*) but be transformed (*in body and affairs*) by the renewing of your mind (*perceptions in the brain*)" Rom 12:2.

"God is Love" (1 Jo 4:8).
